

Starting Over Animal Rescue

PO Box 286

Schnecksville, PA 18078

Pre-Surgery Instructions

After setting up your appointment, please make sure you note it in your calendar as you will not be receiving a reminder of your appointment. Any questions or additional information needed, please call **570-386-9241**, not the vet, as your appointment is through SOAR and they will not have a record of it.

Surgery drop-off time is 7:30-7:45 AM.

Address of vet is **RUSH VETERINARY, 9 Lafayette Avenue, Tamaqua, PA**

Cats/Kittens

- All cats/kittens must be transported to the vet in a hard-sided carrier. Please place a small absorbent towel inside the carrier with your cat.
- Please mark your information on a piece of paper on the carrier which includes:
 - Name of pet
 - Your Name and Phone Number
 - Procedures needed (spay or neuter, rabies vaccine, distemper vaccine)
- Each cat will need to arrive in its own carrier.
- No food after midnight. Animal may have a little water. Remember when your animal last had food as it will be asked at the time of drop off.
- If your animal is showing any signs of illness, please **contact SOAR at 570-386-9241** as surgery may need to be postponed.

Dogs/Puppies

- All puppies/dogs must be transported to the vet in a hard-sided carrier or on a leash.
- Please mark your information on a piece of paper on the carrier which includes:
 - Name of pet
 - Your Name and Phone Number
 - Procedures needed (spay or neuter, rabies vaccine, distemper vaccine)
- No food after midnight. Animal may have a little water. Remember when your animal last had food as it will be asked at the time of drop off.
- If your animal is showing any signs of illness, please **contact SOAR at 570-386-9241** as surgery may need to be postponed.
